## Agriculture Field Official Is Transferred

The transfer of N. N. Bentley, district agricultural officer for the Edmonton-Edmonton territory, to the field crop branch was announced Friday by the Hon. D. B. MacMillan, minister of agriculture.

Mr. Bentley has acted as district agricultural officer in the Edmonton-Edmonton territory since the spring of 1941. Prior to that time he was instructor in soils and sciences at the school of agriculture at Vermilion. He is a graduate of the University of Alberta, holding degrees in arts and agriculture.

Mr. Bentley is a graduate of the University of Alberta, and has been engaged in the teaching profession since graduation from the University. He taught for several years at Stung Plains, at which point he was principal. Later he moved to Edmonton and taught on the staff of the University of Alberta.

Mr. Bentley has reported for work and will occupy his office in the Terrace Building.

## Group Not Closing Declares Chairman

Details of a report that the implement parts distributors depot at Red Deer was being closed was issued Friday by the Hon. C. C. Macleod, chairman of the Provincial Marketing Board. "The report is incorrect," said Mr. Macleod. "The depot will be closed only if the marketing board is of the opinion that it is not necessary to have it."

Mr. Macleod pointed out that the government distributors are not purchasing the same difficulties in securing stock replacement as the private companies. In spite of this, the stock at Red Deer would be increased and the depot would be in a position to serve from other branches when necessary.

"The same service will be maintained in the future as in the past. Farmers of central Alberta, who are assured that the depot will be met as before," Mr. Macleod stated.

## ARP Meetings

Air raid precautions meetings have been arranged at several city schools and community halls according to a program released by Capt. A. J. Huff, chief air raid officer.

First aid classes will be held at each meeting with the exception of that at Highlands school on Friday when the movie "The Bombing of Nottingham" will be shown. All meetings commence at 8 p.m.

## Weather

Highest temperature during the 24 hours ending 10 p.m. today: 28. Lowest temperature during the 24 hours ending 10 p.m. today: 10.

Temperature at 10 p.m. today: 10. Wind: light. Humidity: 65. Barometer: 30.1.

## Renew Rentals on Vacant Garden Lots

Persons who rented vacant lots for garden purposes last year and who have contemplated use again this year, are asked to renew the rental immediately owing to a large number of applications for lots.

Persons should get in touch with the Edmonton Horticultural Society, 10180 100 street.

## C.W.A.C. Seeking Women Musicians

Like to blow a horn? Like to play a drum? The C.W.A.C. is forming a brass band of its own. It must be music, be able to read it and be willing to practice. Girls who enlist and wish to be in the band will be trained on the instrument for which they show the greatest aptitude. Of course, if you are already accomplished on a band instrument, it's just too easy!

Establishment is provided for 20 members in instrument. Anybody Currie Barracks, Calgary, under the direction of Bandmaster Kirk.

Girls planning to enlist as band members must be 18 years old, have good character, be of good education, and be musically inclined. So much the better if they can play an instrument. Anybody with exceptional qualifications may be given a preference over the direction of the band. The girls will receive credit pay, and can look forward to many prizes when the group is completed and properly trained.

Any western Canadian girl who wishes to join the band.

Mobile recruiting parties of the band will be in the city touring the province at the present time, and girls wishing to enlist may do so at any of these parties, or may apply in writing or in person to the bandmaster at Edmonton—10180 100 street.

Edmonton—10180 100 street. The bandmaster is Mr. C. W. A. C. in the city.

## Axis Professes To Know Identity Of Darlan Slayer

LONDON, Jan. 8.—(UPI)—The Axis claims to know the identity of Admiral Darlan's assassin. However, the Axis admits can't agree on the name.

Berlin claims it is Dornier de Chappelle, Paris and Vichy said it was a Frenchman.

The Germans claim the youth is a follower of the late Marshal General Charles de Gaulle's Fighting French. It is emphasized that this may be an attempt to stir the fires of rioting among the French factions.

## F.D.R. Repeats Hope For Allied Victory in 1944

WASHINGTON, Jan. 8.—(AP)—President Roosevelt repeated today a hope, which he said he was expressing to the United States Congress, for a United Nations victory in 1944.

The president was asked at a press conference whether, in saying that the current Congress just might have a part in determining whether to invade Germany this year, he was in the same year, he meant in this year, that the war would end in 1944.

He said he was only expressing the hope and could not predict the end of the war.

# Sale of Cattle Brings New Peak in Revenue To Edmonton Stockyards

Revenue from the sale of cattle that passed through the Edmonton Stockyards during 1942 established a new high when 72,796 head sold for \$5,337,978, S. W. Sheppard, supervising grader at the stockyards, reported Friday.

Mr. Sheppard in his annual report said that a total of 20,613 head of livestock passed through the stockyards in 1942 for a total of \$1,038,250. He pointed out that even though the total marketed decreased by 10,000 head from 1941, the revenue exceeded that of the previous year by \$1,827,200.

Cattle, calves, heifers and sheep were marketed in decreased numbers but brought increased revenues as compared with 1941.

There were 820 horses sold through the stockyards, an increase of 870 over the previous year, but the same week the decrease in revenue from the horses amounted to \$2,388.

The average price per head of cattle in 1942 was \$25.82 as compared with \$25.15 in 1941. The month average price basis for good steers was \$26.00 per hundred.

**BELOW PREVIOUS YEAR**  
Export of live cattle was much below the previous year due primarily to change of regulations.

Export of the live cattle and the establishing of selling prices for live cattle.

Unfavorable harvesting conditions that prevented the "flushing" of the stock resulted in a marketing of a considerable amount of unfed stock.

Average price of calves during the year ranged from \$10 per hundred to \$25 per hundred.

Receipts in January during the year declined by 23 percent, but the total for the year was \$13.90 as compared with \$13.10 in 1941.

**HOG MARKETING**  
One quarter of the hogs marketed in 1942 brought the top grade "A" as compared with 31 percent in 1941.

More than half of the hogs marketed were "B" grade. The figures are 58 percent for 1942 as compared with 58 percent the previous year.

The sheep prices ranged from \$3.30 to \$4.10 in 1942 as compared with \$3.30 to \$4.10 in 1941.

**Wide Changes in National Economy Of Trinidad Seen**  
PORT OF SPAIN, Trinidad, Jan. 8.—(AP)—The changes in Trinidad's national economy, and institution of government control over the country's production and employment were forecast yesterday by a speech made by Sir George Clifford, in his first annual address to the legislative assembly.

Because of a shortage of shipping space and labor, Sir George said, the country's economy is being unable to find markets for their products and were suffering from it.

**97 Students at Manitoba Varsity Must Quit Studies**  
WINNIPEG, Jan. 8.—(CP)—Ninety-seven students of the University of Manitoba, announced today that they would leave the university because of dissatisfaction with the university's academic records.

The students, who are members of the "Varsity Nine," said they were leaving because of dissatisfaction with the university's academic records.

# Today's Sport Parade

By Jack Cuddy

Exclusive to The Edmonton Bulletin

**NEW YORK, Jan. 8.**—(BUP)—Herbert Bayard Swope, the debonair New Yorker who holds so many turf positions that he sometimes is called "Mr. Racing," has come through with the most sensible suggestion since the war began to question the necessity for racing's existence.

Crispsted Swope, with the flower in his lapel, suggested that horse drawn vehicles be used to haul fans to race tracks. Thereby modifying the ban on pleasure driving.

Swope wants to bring back the horse-and-jockey days to shake off the strangle hold of auto bogues on the sport. The auto-buggy ride is dead, already being killed at Miami, Fla. has called off current scheduled meetings.

**WILL HAVE DONE MORE**  
If Swope can put over his project in suburban tracks, he will have done more for the betterment of the breed of horses than all the organizations of which he is chairman.

He is chairman of so many outfits that if all the tables he were supposed to head were placed end to end, they would have enough firewood to light the boys in Ireland for all winter.

Swope apparently intends to saddle two horses with one spigot. He can keep the thoroughbred running if he can corral enough Plebeian equines to provide transportation for the lack and

lessies who provide the breakage at the media's expense.

**HAS A PROBLEM**

Swope, despite his purist motives and his love of all classes of plugging, is inclined to encounter opposition in at least two quarters: (1) The farmers are crying for the use of the horse to pull the soil, now that both machinery and fuel oil is scarce, and (2) because of the virtual disappearance of beef from the butcher shops, any "calf horse" is looked upon as a likely prospect for our wartime markets.

Even if Swope and his disciples can get priorities on enough eggs to move the suckers to the tracks, they may be furnishing the form steppers "pasta" that will so disgust the prospective bettors, with their tabernacle progress along the highway, that said bettors will shy away from all horses in disgust.

However, those same bettors may be inspired to higher sagacity because of their contact with the animals carrier. They may reverse English on the carry stage and say, "If you can beat a horse, why can't you beat the transportation for the lack and

"My dear, don't EVER throw away old love letters! If you take good care of THEM, some day they'll take good care of YOU!"

## Canuck Juveniles Triumph 1-0 Over South Siders

In a City Juvenile Hockey League game played at the 119 street rink Thursday night the Canadians squeezed out the South

Side 1-0. Play was close from the start and goals were recorded in the first or second periods.

The contest continued under a break until O'Connor on a pass from Mettelhof, drove the rubber into the South Siders net with five minutes remaining in the last frame.

**Linnings:**  
Canadians—Murray, Coriveau, Hinchberger, LeClair, Farnon, McKee, Mettelhof, Morgan, Gerlie, South Side—Scott, Ellis, Green, Brennan, Skett, Payne, Christian, Towne, Armstrong, Stannard, Stollery.

Referee—Eddie Wiseman.

**Joey Archibald Loses in Eighth**

CLEVELAND, Jan. 8.—(BUP)—Joey Archibald of Providence, R.I., twice holder of the featherweight title, took a beating from Joey Perrotti, hard-hammering, Cleveland, tonight.

Archibald, who gained an eight-round decision in their match at the arena last night.

The 135-pound Perrotti kept quiet about his victory, but he was philosophical about Wednesday's shutdown when both Tropical Park and Hialeah decided that the office of prize administrators has no pleasure driving meant no more racing.

**Whirlaway May Try New Orleans**

MIAMI, Fla. Jan. 8.—(AP)—In spite of the horse racing shutdown in Florida, Whirlaway will go right on racing, if his trainer, Ben Jones, has his way.

"That horse is fit and just dying to race," Jones said Thursday. "If it is at all possible, I believe I will ship him to New Orleans."

"Of course, we must hear from Warren Wright first," he added. Wright, Whirlaway's owner, is travelling in the west.

Jones was stopped at Santa Anita with 20 horses last year when racing was shutdown, so he was philosophical about Wednesday's shutdown when both Tropical Park and Hialeah decided that the office of prize administrators has no pleasure driving meant no more racing.

**E.A.C. Loses to Maple Leafs 3-2 In Juvenile Loop**

Maple Leafs edged out the Edmonton Amateur Club 3-2 in City Juvenile Hockey League game played at the 96 street rink last night.

Maple Leafs scored two goals and Bert Pringle one and assisting on two led the winners who overcame a 2-0 deficit in the latter part of the contest. Dahl from Brown and Whitford on a line-off goal accounted for the losers two.

The E.A.C. took the lead in the first period when Dahl drove home a pass from Brown.

The visitors got their second goal in the second frame when Whitford scored unassisted. The home team came through with one in this period when Dahl drove home a pass from Brown.

Pringle, on a lone rush, tied the score after 16 minutes of play in the last stanza and with just two minutes to go Maple Leafs scored again on an assist from Pringle to put the Leafs out in front to win the game.

Maple Leafs: Horneby, Ron Harris, Harvey, Pringle, Dea, McPherson, Christian, Farnon, Peterson, Levalier.

E.A.C.—Debraise, O'Brien, Ca-

## Army Stands Second Navy Now Setting Pace In Island Hockey League

VANCOUVER, Jan. 8.—(CP)—New Westminster Spitfire still hold a fair margin at the top of the British Columbia Mainland Senior Hockey League, but the past fortnight has seen a change of leadership in the Vancouver Island circuit.

Navy skyrocketed to the top of the Island Senior loop standings with four wins and a draw in five starts, giving them a three point margin over Army, former top place squad. But a close Army decision over the Sailors last Monday night cut Navy's lead to a single point.

The trouble really started for the Sailors on Christmas day when they dropped a decision in the R.C. A.F. pucketers who now hold third position.

The Sailors then went one point ahead of Army with a victory over the fourth-place Nanaimo Clippers. On New Year's day they increased their margin by defeating the cellar-dwelling Victoria Machinery Dept.

Probably the highest upset of the two senior circuits was scored in New Westminster last Monday night when the Mainland's Army moved out after a 1-0 victory over the Nanaimo Clippers.

However the win left them still in the Mainland League cellar.

Sailors were threatened last week by Vancouver St. Regis who moved to within two points of the league leaders. However the New Westminster squad removed the threat by defeating St. Regis in this week's fixture, and they show a good chance of going still further ahead next week when they meet Army.

Lightweight who gained an eight-round decision in their match at the arena last night.

The 135-pound Perrotti kept quiet about his victory, but he was philosophical about Wednesday's shutdown when both Tropical Park and Hialeah decided that the office of prize administrators has no pleasure driving meant no more racing.

**Indianapolis 2-1**

INDIANAPOLIS, Jan. 8.—(AP)—Burt Phillips, Abbot and Philadelphia Phillies have been invited by the Hershey Park management to use the park and the arena there as training camp this year.

The park is one of the show places of this community founded by Milton S. Hershey, philanthropist and chocolate manufacturer.

Billy Thomson drove down to score the Caps' first goal and Adam Brown was responsible for the second, after which the Eagles really flashed the red light with Earl Smith's tally on an assist from Joe Levashinski.

Coach, Cliff, Craig, MacCormack, Pettigrew, Whitford, McDonald, Referee—Steve Clender.

## Three-Team League

## University Inter-Fac Hockey Starts Tonight

University of Alberta's inter-fac hockey league consisting of only three teams will play its opening game at the Varsity grid rink tonight at 7:30, with Ag-Com-Law and Engineers the opposing sides.

According to Stan Mohr, who is again director of hockey at Varsity, this season's circuit will be exceptionally well balanced as the three squads appear to be evenly matched.

Arts make up the third entry in the league.

Med-Pharm-Dent, winners of the inter-fac hockey last winter, will not be represented this season, due to changes caused by the accelerated course. The new team will not commence until next month.

Harold Wisner has been appointed chief referee for all league games.

## City May Carry Fire, Public Liability Insurance

### Special Municipal Levy For Rehabilitation Work After War Also Proposed

The city of Edmonton will carry its own fire, public liability and other insurance if a proposed charter amendment recommended by the city council's bylaws committee is accepted by the parent body and the necessary charter amendment is secured.

### Command Changes

Lt. George L. Crawford, who has been in command of the Edmonton naval establishment since last June, will go to a ship on the west coast shortly. Lt. J. A. Dawson of Winnipeg will take command of the Edmonton naval station.

### Change Is Made In Command of Naval Station

Change in commanding officers at H.M.C.S. Nonuch, the Edmonton R.C.N.V.C. establishment was announced here Friday.

Lt. J. A. Dawson, second-in-command of the Winnipeg naval station since May of 1941, has been named commanding officer of the Edmonton naval establishment. He succeeds Lt. George L. Crawford, who has been head of the Edmonton establishment since June 1 of 1942.

Lt. Dawson will take over the command here next Monday. He has lived in Winnipeg for many years.

Lt. Crawford will go on sea duty to a ship in the west coast area. He is leaving for the coast here next week's leave here. He is the Edmonton-born son of His Honor Judge J. L. Crawford of the Alberta district court and received all of his schooling in Edmonton, and later attended the University of Alberta, where he was graduated in law. He is practicing law in Calgary. At the time he entered the naval service two-and-one-half years ago as a sub-lieutenant, where he was promoted to lieutenant. After training and service at east coast naval establishments he was posted to Edmonton, where he was second-in-command, under Lieutenant (now Lt.) Alexander Colin G. MacNeil, who has been serving here since May of 1941.

### SUCCEEDS TO COMMAND

When Lt. Glasco was appointed officer in command of the Vancouver R.C.N.V.C. establishment last May, Lt. Crawford succeeded him to the Edmonton command. He is married and has one small son.

While regretting leaving so many friends behind, Lt. Crawford is delighted at the prospect of sea duty aboard ship.

### GERMAN DEATH RATE UP

Under the Hitler regime, Germany's annual death rate has risen by 80,000. The number of suicides in that country is almost equal to the total for the rest of Europe.

### Saturday Night Dance

### Plan Proceeds

### 12 Enlarged Municipal Districts are Organized: Consolidation Continues

Establishment of 12 new enlarged municipal districts in Alberta, under the provincial government's plan of progressive consolidation, was announced Friday by Hon. Lucien Maynard, K.C., minister of municipal affairs.

### A-R-O-U-N-D THE TOWN

After spending leave with his wife and family here, A. M. Y. Selver, R.C.A.F., has returned to duty at the coast.

Use of gasoline without surrender of coupons cost Clifford F. Remy, R.C.A.F., his return to his post here after he appeared before Magistrate A. MacNeil in Winnipeg police court recently.

Edmonton Real Estate Association is holding a special general meeting at the Chamber of Commerce rooms, Saturday at 2 p.m., to discuss the new real estate regulations.

Train No. 1 of the Transcontinental Limited was reported to be four hours late on Friday, according to the announcement made by railway officials of the Canadian National Railways.

Four members of the Canadian Nurses' Association, who were promoted, Capt. Josephine L. Hynes, Miss Mary E. J. MacNeil, Miss Margaret Nelson of Wayne, and Margaret Teasdale of Edmonton are promoted to the rank of Corporal.

In Garneau theatre Sunday at 3 p.m., a concert will be presented by the band of No. 4 Initial Training School, R.C.A.F., under the leadership of Mr. J. A. Hutchinson, O.B.E., of the Edmonton Police.

The band will play under the baton of Sgt. R. O. Causton.

Medically fit provincial civil servants upon attaining their 40th birthday will not be dismissed, according to an announcement made by Mark W. Robertson, civil service commissioner. It was announced that civil servants would be automatically dismissed. There are not more than 15 physically fit 18-year-old boys in the service, Mr. Robertson said.

While serving with the R.C.A.F. overseas, J. Turnbull, son of Fred Turnbull, St. Albert, has received his commission, according to word received by his father. J. Turnbull was a member of the crew of a bomber which crashed in a German submarine in the Bay of Biscay. He received his wings in 1941, took a navigator's course in England, and later flew a bomber across the Atlantic to Britain.

Mr. Olive Bernice Wonnacott, 30-year-old, of Edmonton, survived here Friday. She was 59 years old. Besides her husband, two sons, both with the R.C.A.F., survive here. They are P.O. Gordon Wonnacott and Lt. Robert Wonnacott. Mr. Wonnacott and two sisters also survive. Funeral services will be held at Holy Trinity at 2 p.m. on Friday afternoon. Burial will be in charge of arrangements.

Capt. Joseph R. C. Carter, of Edmonton, who is a company commander at No. 123 C.A.F. B.T.C., Edmonton, has been promoted to the rank of Major. It was announced Friday at military headquarters in Calgary. He was appointed to the rank of Captain in September, 1939.

Canadian students who are residents of Alberta and who have satisfactory academic merits and are always have been admitted to the University of Alberta, will be admitted to the University of Alberta, and Friday.

There are several Canadian-born Japanese students at the university who enrolled this fall, Dr. Newton said, but there have been none since.

(At the University of Toronto the board of governors at first voted against the idea of admitting "friendly aliens" but revised the decision after defence Minister Macdonald's ruling that such students could take military training at universities.)

When the call goes for defence of Canada, the university recently decided that released inmates are entitled to military training at universities, Toronto university reversed its decision on the matter and allowed enrollment of such students. Nine have been admitted to the school.

### Plucked Students Receive Army Call

Students of the University of Alberta, charged by the R.C.M.P. highway traffic patrol for various breaches of driving regulations.

The two fined for failing to display their certificates were Louis St. Pierre and Erickson, both of Edmonton. Each was fined \$10 and \$5.

Martin M. Edmon, was fined \$10 and costs for permitting his truck to be operated without a permit, and the St. Bros. paid a similar fine for not having a certificate for not having a certificate.

No fines on his truck brought to a \$10 fine against Albert Kern, Donnell Edmon, and one clearance light brought a similar fine against Donnell Edmon.

Each was fined \$5 and costs for not having a muffler.

Norman Leffler, Gwynne, was fined \$5 and costs for failing to keep in the right of the center line and R. L. Evans, Withrow, paid a \$5 fine for having no tail light on their car. Costs were added to each fine.

### 4514 Get Jobs Here Last Month

During the last month of December, 3,568 persons were placed in jobs through the local office of the National Selective Service and Employment Commission.

William Carter, director, announced Friday that the number of jobs placed in the last month of December was 3,568.

Jobs taken by the men were mostly those offered in the lumber, mining, and construction and construction projects. Women's jobs were chiefly those of clerical, stenographic and general office workers.

Asked about the probable labor situation in the spring, which it has been predicted by Calgary authorities will be worse than that of 1942, Mr. Carnell stated that it was impossible to guess.

### Engineers' Dinner

Dinner and meeting of the Edmonton branch of the Engineering Institute of Canada will be held at the Macdonald hotel commencing 6:30 p.m. Jan. 14.

Thodore Wynne Jr., division engineer of the Northwest Division, United States Engineers, will be guest speaker. Subject of his address will be "Military Engineering Operations in the Field."

### Benchers to Meet

The semi-annual meeting of the Benchers of the Law Society of Alberta opened at the Macdonald hotel Friday morning.

Among the names of the students suspended by the university authorities were several residents of Edmonton.

### I Saw Today Alberta Chamber of Mines Reviews Progressive Year In Province's Development

The rapidly growing network of transportation facilities radiating from Edmonton, chief among them the Alaska highway, effects every natural resource as well as innumerable associate endeavors tributary to this city, Leonard E. Drummond, secretary-manager of the Alberta and North West Chamber of Mines and Resources, told members of the chamber at their annual meeting, held at the Macdonald hotel Thursday night.

Mr. Drummond reviewed the work of the chamber out that by far the major issues handled during the year were connected with the construction of the Alaska highway and associate projects.

He stated that these projects have developed a network of transportation facilities in a few months which would have taken 10 years to develop in 1942. He pointed out that for over a quarter of a century, under a system of balanced expenditures and national purse economy.

At HEAD TABLE  
C. G. Carson, president of the chamber, presided and others at the head table were Hon. N. E. Tanner, minister of lands and mines, Hon. W. A. Fallow, minister of public works, and Hon. J. A. Dawson, minister of transportation.

President of the University of Alberta, P. V. Sobel, superintendent of the natural resources department of the C.N.R., W. H. Wintling, E. J. Lane, chief engineer of the Alberta highway and associate projects.

Chief engineer for J. Gordon Turner, development of lands and mines, Hon. W. A. Fallow, minister of public works, and Hon. J. A. Dawson, minister of transportation.

## Flash!—Potatoes Aren't Fattening

**By MRS. GAYNOR MADDOCK**

Feed your family plenty of potatoes, for vitamin B and C, for phosphorus, iron, calcium and protein.

Potatoes are not fattening, so you don't have to worry about putting on extra weight when you serve lots of them, according to the experts of the New York State College of Home Economics. The potato contains from 11 to 21 per cent starch and about 73 per cent water, and is no more fattening than a large apple or orange.

To cook the potato, it's the butter and gravy and cream that you put on top that makes you gain weight.

**Colorful Linens**  
**In Simple Stitchery**  
By ALICE BROOKS

weight. Potatoes will actually give your family more food value than the same amount of bread, cereal or sugar. But as with all vegetables, you have to be careful to keep as much of their food value as pos-

Cook them in their jackets. If you do pare your potatoes before you boil them, remember to cook them as soon as you can, as they will lose still more food value if you let them soak in water.

**BREADED CABBAGE**  
(serves 6)

One cup milk, 3 slices enriched white bread, 2 tbs. butter or margarine,  $\frac{1}{4}$  tsp. salt, 1 egg, well beaten, 3 tbs. lemon juice, 4 cups freshly cooked and chopped green cabbage, cayenne pepper.

Remove crusts from white bread and cut slices into tiny cubes. Heat

garine,  $\frac{1}{4}$  tsp. salt, 1 egg, well beaten, 3 tbs. lemon juice, 4 cups freshly cooked and chopped green cabbage, cayenne pepper.

Remove crusts from white bread and cut slices into tiny cubes. Heat

milk, add bread cubes, and cook until smooth, stirring constantly. Add butter, salt and remove from heat. Stir in beaten egg, lemon juice and a few grains of cayenne pepper. Place hot chopped cabbage in serving dish (garnish with toast triangles if desired), and pour sauce over the vegetables.

**Sunday's Menu**  
Breakfast: Orange juice, hot cereal, fried scrapple, cranberry sauce, muffins, coffee or milk.  
Dinner: Tomato juice, roast chicken, watercress stuffing, giblet

## French African Chief Has Two Passions

# General Giraud Loves His France and Hates the Nazis .

Members of the crew of a Royal Canadian Air Force bomber from an east coast squadron who are credited with a successful attack on a Nazi U-boat in the North Atlantic. Left to right they are Pilot Officer J. Leigh, Toronto, the second pilot; Flying Officer R. B. Martin, Toronto, navigator; Flying Officer D. F. Raynes, Toronto, captain, and Pilot Officer J. S. Johnston, Ottawa, wireless-operator air-gunner. Two other wireless-operator air-gunners, Sergeants J. J. Giffillan and F. H. Bebee, participated in the attack but were not present when the photograph was taken.

## Paving Road to Victory

Over bridges such as this, built by engineers of the combined U.S.-Australian task force, troops and armored vehicles moved through the New Guinea jungles to wrest the towns of Gona and Buna from the Japanese. Allied forces have now turned their attack on Buna Mission, while the enemy has landed troops to the north, despite heavy casualties inflicted by Allied planes.

## When Modern and Medieval Meet

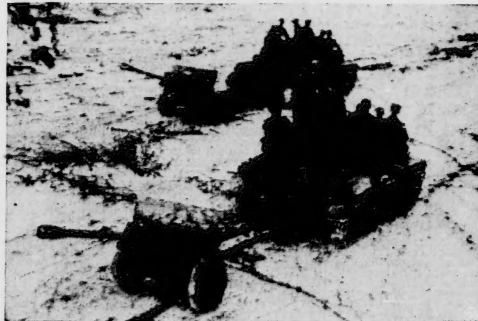

Donkey boy, jogging over the timeless Egyptian desert sands, where carts and camels long have been the accepted mode of transportation, pauses in wonder in the shadow of a giant British bomber.

## Prisoner of Germans in Two Wars Determined Free Native Country

Hard-fighting, resourceful Gen. Henri Giraud has two passions—love of France and hatred of Germany. Captured in World War I and this war, he escaped both times; today sees in the Allied occupation of Vichy-North Africa a new opportunity to strike at the hated Nazis. To this end he is organizing a French African army to fight side by side with the Allies. Respected personally and as a military leader, the colorful general is expected to rally a large Fighting French force. NEA artist George Scarbo sketches some of Giraud's outstanding exploits.

## Russians—Looking For Nazi Tanks to Bust

Red Army artillery, particularly anti-tank guns like those pictured above, played an important part in the smashing Russian offensive against the Germans. The photo above, radioed from Moscow, shows a team of motorized anti-tank gun crews on the central front, where the Red army continued its relentless sweep west of Velike Luki, toward the Latvian frontier.

## Playtime at Malta

Ruins of a Nazi dive bomber make a handy plaything for children at Malta—world's most-bombed spot. Here they cluster around the wing and motor of the plane that only a short time before had been spreading death and destruction on the British island in the Mediterranean.

My, My, Mimi. Hollywood looked at Mimi Chandler, 16-year-old daughter of Kentucky's "Happy" Chandler, and found her good. So will you, when you see her soon in the films.

## Artist Looks at Battle

Dropping out of low squall clouds, Japanese dive bombers penetrate a curtain of anti-aircraft fire and narrowly miss a U.S. cruiser, screening an aircraft carrier, with a high-explosive bomb. Lieut. Dwight C. Shepherd, U.S.N.R., who was aboard the attacked cruiser, drew this picture of action in the Santa Cruz Island battle.

## Greeks Answer Nazi Threats

Smuggled out of the country by a Greek patriot, these pictures show how Greece reacted to Nazi threats when the Germans over-ran their country. "We will bring you to your knees," says the German sign on a wall in Athens. Below, students of Athens University defy armed German and Italian stormtroopers in the city's streets.
